THANKS FOR GIVING ME THE OPPORTUNITY TO KNOW THEM.
G-GRO-

WHEN I YELLED THAT THE WORLD ISN'T THAT HARSH,

A LIGHT SHONE ITSELF ON MY WORDS

IT'S OKAY, YOU CAN USE THAT AS AN EXCUSE FOR CRYING, THEN.

YOU ASSHOLE, THAT RUINS IT EVEN MORE

THIS IS WHERE YOU TAUGHT ME...

THAT THE WORLD REALLY CAN BE A GENTLE PLACE.

Thank you very much for picking this up!
Ever since the original story ended, I've been wanting to draw "In reality, Touma's a big eater" and "Going back to the beach again and Takaya speaks." It was so much fun to share this material.

The material for "Big eater" came first but I wasn't able to fit it in the original story. The idea that "in reality, a skinny big eater who's afraid of growing and can only eat less than the average amount" is a moe point for me, especially the skinny big eater part. Even knowing that not eating won't change a thing, his maiden heart won't allow him to eat.

In "Going back to the beach again and Takaya speaks," what happens is the moment he realizes his love for Touma, Takaya retraces the past. He reassesses things on his side and grows up real quick to be on the same page as present-day Touma.
So, I wondered if I could draw something of that side of him but ended up portraying him as your regular fast worker.

With this and that, I'm delighted to have my fill of drawing these two (and the siblings) after such a long time. I'd be happy if you've read and enjoyed them, even if it's just a little!

Oh, on another subject, I'm drawing Yone's extra stories but they take place a little later, so something else to look forward to!

Well, that's all for now!
